Colchester-What do you want to do today?

For the Week Ending July 24, 2015

While by no means a total representation of all the work performed by the Town, the following highlights some Departments' activities:

Town Manager's Office

Dawn H. Francis, Town Manager

A reminder to take a look through our new website, www.colchestervt.gov, which has a clean and fresh new look as well as being easier to navigate. LCATV has put together a series of videos of the showcases presented by a number of the town's departments in 2014 and 2015. If you are not quite sure which department does what, or would just like to know more about how each functions, take a look. The most recent showcases by the Economic Development Department and Public Works Department provide overviews of the important work being done by these departments. These videos can be found at on our website at:

Burnham Memorial Library

Kelly Tomaseski, Director

At Burnham Library, we hope everyone's summers are progressing well. We'd like to thank the Vermont Automobile Enthusiasts and everyone who came for making our car show such a success. On July 11, we had over fifteen beautiful cars and trucks at the library, showcasing automobiles from the 1970s all the way back to the 1920s.

Here are a few brief library reminders:

- Our Friday hours increased as of July 10; we are now open 10 am-6 pm, the same hours as on Tuesdays and Thursdays.
- Our up-to-date phone number is 264-5660; if you still have our old number written down somewhere, please make a note of it! Unfortunately, we're still working to get the phone book updated.

A few of our upcoming programs still have significant space - you can sign up online!

- The Super Heroes that Help Provide Our Food: BEES! - Thursday, July 30 at 2 pm. For ages 5 and up.
- Preschool Tea Party - Monday, Aug. 3 at 12 pm - Tea and treats for ages 2 and up.
- Hero Stories Comic Workshop (Teens) - Tuesday, Aug. 4 from 3-5 pm. For ages 12 and up.
