

For the Week of January 1, 2018

Manager’s Message of the Week, Special Edition Dawn Francis, Town Manager

Christmas weekend was a hectic one for our Public Works crew, Technical Rescue squad and our Police Department. While the holiday weekend for some meant enjoying family and friends and sharing a big dinner together, many of our dedicated employees worked every day to keep our roads clear, track down a burglar, respond to traffic accidents and even save a person who had fallen down a steep ravine. I am continually amazed by the work ethic and “can do” attitude of the Town of Colchester volunteers and employees.

All of us at the Colchester Town Offices wish you a healthy and happy New Year.
