### **Manager's Message**

Aaron Frank, Town Manager

On July 3<sup>rd</sup>, the Town of Colchester's Selectboard announced that it intends to appoint Pam Loranger to the open seat on the Selectboard at their July 9th 2019 meeting with an effective date of August 1, 2019. This is an interim appointment and the appointee will have to run for election on Town Meeting Day 2020 to serve the remaining year of the three-year term.

"We are excited to welcome Pam to the team. Her in-depth knowledge of the inner workings of the town and passion for Colchester will be invaluable as we continue to work on the Malletts Bay Initiative, the upcoming budget season, and other efforts to better the Town of Colchester," stated Jeff Bartley, Chair of the Colchester Selectboard.

"It is my honor and privilege to be selected to fill the current vacancy on the Selectboard. I look forward to continuing my service to the Town Of Colchester in this new role especially in the areas of the Malletts Bay Initiative, water quality, and recreational opportunities for her citizens," stated Pam Loranger

Pam Loranger began her service to the Town in 1998 on the Colchester Conservation Commission, a policy and service board of the Town coordinating the volunteer operation of our annual Green Up Day and the recently discontinued Leaf Drop-off. Pam has also served on Colchester Blooms, which raises money for public flower beds; chaired the Cemetery Advisory Committee; was a volunteer at the Log Schoolhouse for the Colchester Historical Society, the Colchester Food Shelf, and the Colchester Triathlon and Causeway Race; was a member of the Stormwater Advisory Committee, the Firearms Safety Committee, and the Colchester Board of Civil Authority; and is a Justice of the Peace.

In 2007, she was appointed to the Planning Commission and has chaired the Commission since 2012. She was awarded "Vermont Citizen Planner of the Year" in 2017. She was also active in the Colchester Community Center Initiative, helping create a sense of place in Colchester. Pam served on the Governance Committee, advising the Selectboard on: updates to the Town Charter, optimization of accountability, transparency, effectiveness of costs of Town services, and improvement of citizen involvement.
