

CALLING ON PERMITS

TOWN OF COLCHESTER ASSESSOR'S OFFICE

The town of Colchester Assessor's Office will be conducting inspections of all properties that have had building permits issued in the last year. Robert Vickery, the Town Assessor will be conducting field inspections of all properties, interior/exterior inspections of new conducting, and inspections of properties that have had building permits issued in the last year. Robert will have identification and a copy of any permits. If you are a property owner that has been issued a building permit in the last year you can expect Robert to be knocking on your door in the months of February, March, April, and May. If you wish to have your inspection by appointment or have any questions about these inspections please call the Assessor's Office at (802) 264-5670.
