

For the Week of February 26, 2018

Manager's Message of the Week Dawn Francis, Town Manager

Another Clean Audit for the Town of Colchester

The Town of Colchester has received the results of its annual audit by Sullivan, Powers & Co., P.C. (Certified Public Accountants). We are pleased to announce that we have a clean audit this year, with no findings.

The Town is fortunate to have a detail-oriented and meticulous staff in the Finance Department. "Hats off" to the Finance staff for maintaining the accurate financial records, to the Town Clerk/Treasurer and her staff for receiving and recording the tax and fee revenues in a responsible manner and to the entire Town staff who must follow ten different Selectboard policies related to financial management. This work must be done consistently and correctly to receive clean audits.

Colchester is leader in the financial arena and has been asked to serve as a model and presenter on policy development, audit report writing, capital planning, contracting, and insurance.

We are proud to use our expertise in this area to benefit our community through:

- Capital funding plans that avoid borrowing and debt for all but the largest of projects,
- Negotiation of vendor contract for services and supplies
- Use of taxes as the "last dollar in" approach after other revenue sources

The auditor's report is available on our website at <http://www.colchestervt.gov/ArchiveCenter/ViewFile/Item/520>. Copies will be available for review at the Annual Meeting on Monday March 5. If you want a hard copy of the report you may request one at the Town Offices on Blakely Road.
