

UPCOMING PAVING PROJECTS

The Town of Colchester will be paving the following roads this August and September. The exact dates of each roadway resurfacing will be determined as work approaches. Additional updates will be provided and message boards announcing the specific dates of work will be installed in advance. Please expect delays and if possible avoid these roadways during the period of construction. If you have any questions, please feel free to contact Kevin McAleer, Public Works Project Manager at 264-5639, or kmcaleer@colchestervt.gov.
